THANK YOU!

Journey Kids has an incredible team of volunteers that give of their time and make a difference. We want to honor four of them this week for their outstanding service within our children's program: **Aaliyah Fisher** works with our Babies and is one of our incredible teen volunteers. She is great with our tiniest church attenders. We love her joyful spirit and helpful heart. It is obvious to everyone in the room that the love of God shines brightly through her. Thank you, Aaliyah, for being a part of our team. In the Totz room, you will find **Lesia Uminn** hard at work. When she talks about serving with our one and two year old children, her face lights up with a huge smile. It is such a blessing to know that she really enjoys her time of service to God. Her kind

and loving heart is evident as she demonstrates Jesus to these precious children. Thank you Lesa, for your faithful service to our Totz. In Sproutz, you can find the dynamic dual of **Ben and Shelsey Goudzwaard**. This married couple love to serve the Lord together. Ben is the best at making Bible stories super fun and interesting to our Pre K and K kids. He is always well prepared and the word of God oozes out of him. Shelsey is the backbone of Sproutz and keeps this classroom running smoothly with many behind the scene duties. On Sunday, she can be found face to face with the children playing, laughing and loving on them. Shelsey has a heart of gold and a deep love for God that she demonstrates to everyone each and every time she serves. Thank you Ben and Shelsey for your unrelenting service to our Journey Kids.
